Dear Mr Nuth,

Wreath Holders

Thank you for informing the council of your plans for the wreath holders in your email dated 17th September. The detail was very informative about the proposed wreath holders you have planned for the War Memorial. I have been asked to reply as follows. The Parish Council are responsible for the maintenance of the closed church yard, and to safeguard this area for all to use. The area that you propose to site the wreath holders is within the closed church yard that the council are responsible for.

The Parish Council do object to the wreath holders that you propose, this is based on concerns regarding the safety of the spikes and that they may not be in keeping with the Grade 1 listed Church building. Tutbury Parish Council would like to invite you to the next parish meeting to discuss this further. This meeting will be held October 19th at Charity House 7.30pm.

Yours sincerely
